

Enter the University of Otago Junior Mathematics Competition

All Year 9, 10, 11, and 12 students from across New Zealand are eligible.

Participants sit an initial multiple choice and short answer test in late March.

Top competitors will then be invited to sit a written long answer test in early May.

There will normally be a small cost involved.

For more details talk to the below contact or visit our website:

www.maths.otago.ac.nz/jmc

Cash Prizes

There are cash prizes for the top 30 placings in in the second test for each year level.
